MRS. GRETCHEN JONES opens the door to those of us who come, invites us in, and with the authority of knowledge, natural courtesy and a deep need to teach, teaches and does not rest until we learn. The bright eyes, discerning views and innate stubbornness of the master teacher for the student to learn, assures that we grasp the math concepts. We find her fair, direct and resourceful in her dealing with us. We go from her class, not always having done our best, but knowing that we may come and be helped again.

Aim: To promote teaching and the education of teachers.
How: Offering scholarship each year to deserving Senior.

This club has sold candy, ice cream and soft drinks at ball games and at some noons all year. The proceeds, plus the contributions from the Community Club have made possible the granting of a $500 scholarship this spring.

AN ANNUAL IS BORN . . . A STAFF, AN IDEA, A PHOTOGRAPHER, AND WORK
